Impact of our Services During a Time of COVID

Community Assessment & Services Center (CASC)

The Community Assessment and Services Center is the City's premiere one-stop, behavioral health, multi-service reentry center that addresses the needs of San Francisco's justice involved adults.

FY 2020/21

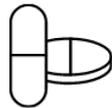

2300

Individuals with justice system involvement who **Accessed Services at the CASC.**

600

APD clients engaged in the **CASC's Clinical and Reentry Case Management.** Our case management providers (Citywide, SEOP & M3), help clients work toward positive change.

115

APD clients engaged in the **CASC's Medication Management** program, helping clients with behavioral health challenges stabilize.

27

The CASC offered 27 different **Virtual Monthly Groups/Classes** designed to meet the needs of justice involved people.

120

Treatment Services are fundamental to life change, 120 APD clients enrolled in residential treatment programs.

Impact of our Services During a Time of COVID

APD Funded Housing Programs

APD offers an array of transitional housing programs, delivered through 6 community based organizations, that support the unique needs of our clients. Our transitional housing programs support clients for up to 12 months. Additionally, APD created the Recovery Pathways Initiative which prioritizes the placement of clients who complete residential treatment into transitional housing.

FY 2020/21

611

611 **Clients Were Housed** across APD's 18 different housing programs. Clients, case managers, housing program staff and Probation Officers work collaboratively to help clients meet goals.

77,111

APD's housing programs **Reduced Homelessness** in San Francisco by 77,111 Days. Housing allows clients to stabilize, and provides the opportunity to work on goals, including permanent housing.

1,797

Programs offer assistance with housing applications - an integral part of long term planning. In FY 2020/21, APD clients completed 1,797 **Housing Applications** with the help of housing program staff.

61

61 APD clients were **Placed into Permanent/Stable Housing** from our transitional housing programs.

Impact of our Services During a Time of COVID

CASC Employment Services

APD funds a variety of employment programs to connect clients with opportunities that lead to self-sufficiency. From job placement and retention services offered at the CASC, to Interrupt, Predict, & Organize (IPO), a subsidized employment program in the community, APD is committed to helping our clients achieve economic success.

FY 2020/21

149

149 clients were **Placed in Jobs** with the help of the CASC/Goodwill Employment Services.

\$25K

\$25,000 in **Barrier Removal Funds** were used to help clients mitigate employment challenges and provide essential support, which includes union dues, tools, work, clothes, transportation, etc.

27

The CASC/Goodwill hosted 27 **Hiring Events** with employers and jobseekers at the CASC.

\$19.50

The **Average Hourly Wage** of individuals placed in jobs by CASC/Goodwill was \$19.50.
